In addition, the Woodbury Democratic Town Committee will be actively and fully supporting the Woodbury First slate. There will be a press release from Woodbury First on Friday, July 22nd, announcing their slate.

The public discourse in Woodbury has been partisan and counter-productive during the past few years. The Woodbury DTC is committed to changing the tone, and our support for Woodbury First is meant to encourage civil and productive discussion about the future of Woodbury. This election is not about 'D's' and 'R's', it's about what's in the best interest of Woodbury.
